NEW QUESTION: 3

Which of the following is the most important ISC2 Code of Ethics Canons?

- A. Act honorably, honestly, justly, responsibly, and legally
- B. Advance and protect the profession
- C. Provide diligent and competent service to principals
- D. Protect society, the commonwealth, and the infrastructure

Answer: D

Explanation:

The 4 Canons of the ISC(2) Code of Ethics are specifically ordered according to their importance. The ordering is as follows.

1. Protect society, the commonwealth, and the infrastructure.
2. Act honorably, honestly, justly, responsibly, and legally.
3. Provide diligent and competent service to principals.
4. Advance and protect the profession. The FULL code of ethics is available at:

[https://www.isc2.org/uploadedFiles/\(ISC\)2_Public_Content/Code_of_ethics/ISC2-Code-of-Ethics.pdf](https://www.isc2.org/uploadedFiles/(ISC)2_Public_Content/Code_of_ethics/ISC2-Code-of-Ethics.pdf) Even though you don't have numbering in front of the canons listed in the document above, there is a paragraph talking about the order of the canons and which one is more important than the other one. Close the end of the second page of the code of Ethics they say clearly: Compliance with the preamble and canons is mandatory. Conflicts between the canons should be resolved in the order of the canons. The canons are not equal and conflicts between them are not intended to create ethical binds.

TIP: I would STRONGLY recommend you visit the link above and you download a copy of the code of ethics. There will be questions on the exam covering some of its details for sure. It is easy points you can get.

CONFLICTING INFORMATION

The ISC2 website at <https://www.isc2.org/ethics/default.aspx>

has some brief information on the Code of Ethics where they list 4 canons that are NOT the same as their full Code of Ethics available at the link above.

Code of Ethics Canons:

Protect society, the common good, necessary public trust and confidence, and the infrastructure.

Act honorably, honestly, justly, responsibly, and legally.

Provide diligent and competent service to principals.

Advance and protect the profession.

The following answers are incorrect (not the most important but still VERY important):

Act honorably, honestly, justly, responsibly, and legally.

Provide diligent and competent service to principals.

Advance and protect the profession

The following reference(s) were/was used to create this question:

CISSP Study Guide 11th Hour by Eric Conrad. Page 171. and
