Answer: A

NEW QUESTION: 2

Please wait while the virtual machine loads. Once loaded, you may proceed to the lab section. This may take a few minutes, and the wait time will not be deducted from your overall test time.

When the Next button is available, click it to access the lab section. In this section, you will perform a set of tasks in a live environment. While most functionality will be available to you as it would be in a live environment, some functionality (e.g., copy and paste, ability to navigate to external websites) will not be possible by design.

Scoring is based on the outcome of performing the tasks stated in the lab. In other words, it doesn't matter how you accomplish the task, if you successfully perform it, you will earn credit for that task.

Labs are not timed separately, and this exam may more than one lab that you must complete. You can use as much time as you would like to complete each lab. But, you should manage your time appropriately to ensure that you are able to complete the lab(s) and all other sections of the exam in the time provided. Please note that once you submit your work by clicking the Next button within a lab, you will NOT be able to return to the lab. Username and password

You need to ensure that group owners renew their Office 365 groups every 180 days.

To complete this task, sign in to the Microsoft Office 365 admin center.

Answer:

Explanation:

See explanation below.

Explanation

Set group expiration

1. Open the Azure AD admin center with an account that is a global administrator in your Azure AD organization.

2. Select Groups, then select Expiration to open the expiration settings.

3. On the Expiration page, you can:

* Set the group lifetime in days. You could select one of the

preset values, or a custom value (should be 31 days or more).

* Specify an email address where the renewal and expiration notifications should be sent when a group has no owner.

* Select which Office 365 groups expire. You can set expiration for:

* All Office 365 groups

* A list of Selected Office 365 groups

* None to restrict expiration for all groups

Save your settings when you're done by selecting Save.
