NEW QUESTION: 1

An installment meets all of the selection criteria of a Payment Process Request but it still did not get selected for payment processing. Identify two reasons for this.

- A. The installment was manually removed.
- B. The pay-through date is in a closed Payables period.
- C. The invoice has not been accounted.
- D. The pay-through date is in a future period.
- E. The invoices need revalidation.

Answer: B,E

Explanation:

Explanation/Reference:

An installment can meet the selection criteria of a payment process request, yet not get selected for payment for one or more reasons.

You can review installments that were not selected for payment, along with the reasons they were not selected, on the Not Selected tab of the Review Installments page.

The reasons are as follows:

Payment date in closed period

Invoice needs revalidation

Rejected by approver

Withholding tax calculation error

Credit reduces payment amount below zero

Invoice requires approval

Invoice never validated

Payment date before system date not allowed

Installment on hold

Supplier site on payment hold

Installment manually removed

Zero amount installments excluded
