## **NEW QUESTION: 2**

What are three competitive advantages of the Cisco TelePresence solution? (Choose three.)

**A.** Transform your organization.

**B.** Transform the industry

**C.** Spend more; gain more.

**D.** Do more with less.

**E.** Provide a money-back guarantee

**F.** Transform your employees.

**G.** Be greener

**Answer: A,D,G**

Explanation:

This is just a matter of reading the product literature . . .

\*Be Greener and Improve Quality of Life By reducing the need for travel, Cisco TelePresence can help boost your company's environmental sustainability efforts: less travel means a smaller carbon footprint. And reducing travel gives your employees more valuable time, improving their quality of life.

\*Do More with Less Move quickly and gather important stakeholders to improve workflows, new programs, and decision making. Cisco TelePresence allows you to meet "in person" so you can be more effective, productive, and available than ever before.

From the office and customer-facing environments to the home, Cisco TelePresence spans a complete, innovative endpoint portfolio, an integrated architecture, any-to-any interoperability, and user-friendly features, such as onebutton-to-push and continuous presence.

\*Transform Your Organization Video and social media are changing the way we communicate and interact. Video stimulates more effective relationships and enhanced engagement. Cisco TelePresence enables new ways of working and allows you to approach processes in ways never before possible. Making faster, better decisions, bringing in expertise immediately and unifying team members are just some ways that video can change the way a business operates.
