## NEW QUESTION: 2

### SIMULATION

#### Instructions

#### Exam Environment

#### Exam Interface and Controls

The exam panel provides access to the project task(s). Each project has an associated file in which you will perform the project tasks.

1. Project file

2. Split bar

3. Exam panel

You can modify the exam interface to fit your needs in the following ways:

\* To increase or decrease the exam panel font size, press Ctrl+Plus or Ctrl+Minus.

\* To change the height of the exam panel, drag the split bar between the project file and the exam panel.

\* To restore the interface to the default appearance, click the Restore button near the upper-right corner of the exam panel.

4. The Information bar at the top of the exam panel displays the current project and total number of projects, the remaining exam time, and the following commands:

\* Collapse Panel. Minimizes the exam panel to provide more space for the project file.

\* Restart Project. Closes and reopens the current project file without saving your changes.

\* Submit Project. Saves your changes, submits the project file, and moves to the next project.

\* Calculator. A calculator is available in some exams. You are not required to use the calculator.

\* Restore. Restores the size and position of the project file and exam panel to the defaults.

\* Help. Displays information about the exam interface.

5. The Content area displays the task tabs and the current task description.

6. The Navigation area at the bottom of the exam panel contains the following commands.

\* Previous Task/Next Task. Saves your response and moves to the previous or next task in the current project.

\* Leave feedback after exam. Flags the task to indicate that you want to leave feedback about it after the exam.

\* Mark for review. Flags the task to indicate that you want to return to it before you finish the exam.

\* Mark as complete. Flags the task to indicate that you feel you have completed the task.

In projects that contain multiple tasks, you can switch between tasks by clicking the task tab, Next Task button, or Previous Task button.

End of the instructions.

On the "Employees" worksheet, in cell C4, enter a formula that

returns the office phone number from the "Contact\_Information" cell range using an exact match for the "Region" in column B.

A. In cell C4, type =M4 and press Enter.

B. In cell C2, type =M4 and press Enter.

**Answer: A**

### **NEW QUESTION: 3**

You are a project manager for a company that sells online music. Your project is to develop new content management system that will not only manage all users purchases and downloads but will automatically learn the users music interest to make future product recommendation. In addition your content management system must scale to support millions of current music downloads a day. Your team has made a significant progress on the project. You are preparing the performance of the project to date and have calculated the following measurement:

PV=4000, EV=3500, AC=3000

Which of the following statement are true?

A. CV is a negative number which implies that your project is over budget

B. EAC is a positive number that implies that you are spending more than originally budgeted

C. EAC is negative number which implies that you are spending more than originally budgeted

D. CV is positive number that implies that your project is under budget

**Answer: D**
