NEW QUESTION: 1

What is the significance of the "Summarize project based on detailed activity resource assignments" setting?

- A. Summarized project data will reflect top-down plans.
- B. Summarized project data will reflect integrated actuals.
- C. Summarized project data will reflect bottom-up plans.
- D. Summarized project data will be monetized.

Answer: C

Explanation:

Use the Detail Activity Resource Assignments option for in-progress projects when you want to review detailed activity-level summarized data, for example, for earned value reporting.

Note: 'Summarize Project Based on' determines whether the Summarizer calculates and displays rolled-up data based on resource assignments at the activity or project level.

Note 2: You can summarize project data to a specific WBS level when calculating and maintaining summary data.
