NEW QUESTION: 4

When a Compliance Safety and Health Officer (CSHO) holds an inspection of a business, all of the following must occur during the inspection except:

- A.** Presentation of credentials
- B.** Opening conference
- C.** Tour of facilities
- D.** Resolution of problem

Answer: D

Explanation:

Explanation: During a CSHO inspection, the following should occur: the CSHO should present his credentials, the CSHO should

hold an opening conference, the CSHO should tour the facilities, and the CSHO should hold a closing conference. It cannot be expected that the problem, if one is determined to be present, will be resolved during the inspection. A resolution is usually a followup result of the inspection.
