NEW QUESTION: 3

Martha works as an Office Assistant for Tech Perfect Inc. She uses Microsoft Excel 2010 for working on a report. She wants to add a picture as a background in her Excel worksheet. She does not want that picture to be printed while printing. Which of the following steps will she take to accomplish the task?

- A. Use Page Layout > Page Setup > Background option to insert the picture
- B. Use Insert > Text > Headers & Footers
- C. Use Page Layout > Page Setup > Print Titles
- D. Use Insert > Illustrations > Picture to insert the picture

Answer: A

Explanation:

In order to put a picture as a sheet background, Martha will click the Background option in the Page Setup group, on the Page Layout tab.

Answer option D is incorrect. Print Titles option is used to configure printing options of a worksheet. Answer option C is incorrect. Headers & Footers can be used to insert background picture for printing purposes as a watermark. Answer option B is incorrect. Through the Picture option in Illustrations, pictures can be inserted into the sheet. But this will not be configured as background image.
